It's **JULY!!** Time to start planning for Christmas, believe it or not! During the entire month of July we are participating with 7 other shops in the **Jingle Bell Hop**. We are featuring kits for \$20 or less that you can finish by Christmas. We have also received several lines of BEEE -AUTIFUL Christmas fabrics that will dazzle you!

Do you realize that we have THREE Block-of-the-month clubs? Each one highlights different techniques, schedules, or other options to fit your needs and lifestyle. For example, this month's **Block-of-the-Month Club with Sandy** featuring beautiful Celtic appliqué—by hand or machine, meets one afternoon and one evening each month to make a great new block. This club is intended to help you learn and grow a wide variety of skills by hand and by machine.

Joann's Mystery Block-of-the-Month, will surprise you each month with a new block that you will pre-cut and then assemble in one of two afternoon and evening sessions.
